

Envi Ultraform Backlit Poster
Inkjet UV/Latex, Offset and Screen
Printable

Envi Backlit is a durable, weather resistant, UV-stable print media for outdoor and indoor applications such as bus shelters and light boxes. This FSC-certified backlit product, made with 10% post-consumer recycled fiber, is a C2S print-ready poster stock optimized for inkjet UV or Latex, offset and screen printing.

For brand owners interested in social responsibility and improving the eco-profile of their advertising, Monadnock delivers a product that effectively meets marketplace need for environmentally friendly print media.
