Recycled

The “Recycled” logo may be used in conjunction with all Monadnock printing and packaging papers containing recycled content.

The universal recycling symbol, often called the “three-chasing-arrows” or “mobius loop,” was first developed and used by recycled paperboard manufacturers, then adopted industry-wide to promote the recycled content of various paper products.

Applicable Products:

- Monadnock Astrolite PC 100®
- Monadnock Envi®

Acceptable Promotional Language:

“This paper is manufactured with X% post-consumer recycled fiber.”
