ENVI PORTFOLIO
PRODUCT

Built for Brands unwilling to compromise, Monadnock Hemp Envi Performance Board is the seamless integration of beauty, performance and sustainability. Contact us today to take a closer look at the New Face of Premium Packaging.

Hemp Envi Performance Board is made with 70% FSC® Certified, post-consumer waste recycled fiber and 30% agricultural hemp fiber. This line of packaging board is engineered for superior printability and performance all the way to the shelf. It will foil stamp, score and fold beautifully.

Hemp Envi Performance Board is recyclable in the curb-side mix paper bin. Like all of Monadnock's papers it is manufactured carbon neutral (VERs) using 100 percent renewable Green-e certified wind-powered electricity (RECs).

Hemp Envi Performance Board for sustainable packaging is available in 28x40 sheets in cartons and on skids. You may choose from beautiful cool white coated and bright white uncoated board. All of these products carry the FSC® Recycled label.
