

# Envi Card

## Gift, Loyalty & Membership

AN  
ENVI PORTFOLIO  
PRODUCT

Made from renewable wood fiber, Envi Card Stock offers an *alternative to plastics and PVC* materials for gift cards and carriers, hospitality, loyalty and merchandise return cards. This durable stock prints crisply using standard off-set printing techniques. Envi Card is perfect in retail, hospitality and for associations that renew cards on an annual basis.

Envi Card is Forest Stewardship Council certified (FSC® C018866) and third-party tested for recyclability- simply toss it into the mixed paper bin after use.

### This Card Works

- Fits seamlessly into the card supply chain.
- Superior graphic flexibility and precision over plastic cards.
- No compromises in perceived value - looks, feels and sounds like plastic.
- Accepts magnetic and signature strips, scratch-offs and bar codes.
- High rigidity/stiffness for optimum handling through the supply chain.
- Die-cut/punch with crisp clean edges perpendicular to the card face.
- Suitable for tipping/affixing to letters and card carriers.
- Gift Card will survive a full cycle in the washing machine.
- Third-party certified recyclable in the curb-side mix paper waste bin.

Envi Card is stocked in 28 x 40" sheets and is packed on skids. Sizes and thickness may be customized. Contact Monadnock for more details.
