

Monadnock

Astrolite PC 100[®] Velvet 9 PT.

Your Search for a Versatile & Sustainable 9 PT. Direct Mail Solution Is (Finally!) Over.

Much like Velvet itself, our new line of fine printing papers unleashes a new world of design possibilities for those most-discerning and sustainability-forward companies looking for high-end luxury appeal.

The only premium coated 100% recycled sheet made in America, Astrolite PC 100 Velvet c2s is coated two sides and completely crafted with only post-consumer waste recycled fiber. You and the USPS will love Velvet 9 PT.

Astrolite PC 100® Velvet 9 PT.

Astrolite PC 100 Velvet 9 PT. meets the needs of eco-conscious brand owners, designers and printers who are searching for high quality graphic reproduction in oversized USPS direct mail marketing communications.

Velvet has a universal coating that is optimized for sheetfed and heat set web offset, dry toner and HP Indigo presses. It performs well on Scodix Digital Enhancement Presses and is listed on the Scodix Recommended Media List.

Here at Monadnock, we continue to build on our legacy of designing sustainable and premium fine printing papers that offer exceptional possibilities. It's a truly "guilt-free" luxury that affords you and your next project the quality you deserve without compromising the environment.

With Astrolite PC 100 Velvet 9 PT., your long search for a versatile and sustainable direct mail stock is now over. Experience this new beginning on your next campaign by contacting us today.
