Ultraform® Backlit Poster

An **ENVI**PORTFOLIO Product

Luxurious and sustainable Un-Plastic® backlit poster stock from Monadnock Paper Mills.

Your environmental graphics reflect your brand. Respect your brand story with Ultraform – a high-performance, FSC® certified backlit poster stock from Monadnock.

Ultraform is engineered for back and front lit transit, retail, and hospitality signage.

Monadnock Ultraform® Backlit Poster

The Ultraform Poster line is engineered to provide durable, weather resistant, UV-stable poster papers for outdoor and indoor applications. This backlit product is a C1S print-ready poster stock optimized for Latex and UV Inkjet printing.

The superior formation of Ultraform makes it a perfect plastic alternative for any backlit or front lit poster program.

Like all Monadnock products, it is manufactured carbon neutral and with 100% renewable Green-e certified wind-powered electricity. Ultraform is FSC certified and it is recyclable in the curbside mixed paper waste bin.
