An **ENVI**PORTFOLIO Product

Your environmental graphics reflect your brand. Respect your brand story with Envi PC 100 Wallgraphics - a high-performance, FSC® certified digital wallcovering stock from Monadnock.

Envi Wallgraphics is perfect for residential decor, hospitality and retail store signage.

Monadnock ENVI® PC 100 Wallgraphics

Envi Wallgraphics offer a renewable fiber-based 100% PCW alternative to vinyl for walls, windows and other rigid surfaces in the home and in commercial settings/environments.

Envi Wallcovering carries a class "A" fire rating based on ASTM E-84 standard testing for smoke generation and flame spread. Envi Wallgraphics offers a prepasted with a strippable coating for both ease of installation and easy removability. It offers a durable print surface for scuff resistance and can be easily cleaned and sanitized.

Specify bright white Envi Wallgraphics when looking to boldly enhance a small space or an entire establishment in an eco-conscious way.
